## **ADDRESS OF THE MOST ILLUSTRIOUS GRAND MASTER**

**B. WAYNE SPARKS**

**2019-2020**

To the Grand Officers, Companions and Distinguished Guest of the Grand Council Royal and Select Masters of Alabama:

Welcome to the One Hundred and Eighty-Second Annual Convocation of the Grand Council Royal and Select Master of Alabama. For the benefit of Cryptic Masonry may harmony prevail as we once again put on our aprons and take up our trowels.

To our visiting Distinguished Guests, welcome to Alabama. We extend our hospitality to you and thank you for the wonderful hospitality you and the Companions of your Grand jurisdiction have afforded us as we have visited you over the past few years. Thank you for being here.

### **State of the Craft**

I was encouraged to see ritual work at the state wide festivals getting better each year, but most especially, I was happy to see Councils joining together to perform degree work. I am pleased at the efforts of our Grand Officers, past and present, to get our local Councils involved in the degrees. I saw old members, young members and all in between, working together to perform excellent ritual work. I thank each of you for all you do!

I encourage constituent councils to work together at Festivals that we may build and maintain the membership in this great fraternity for future generations. We can not stop death from taking a toll on our councils, but we can recruit new members into our Order.

Councils in Alabama face the same issue that challenges Masonic Lodges in our jurisdiction and across the nation. Declining membership and aging membership make it difficult for many councils to be as effective as they would like to be. As difficult as it may seem our councils must forge ahead with activity.

### **NECROLOGY**

The Illustrious Grand Chaplain will have the details in his report.

### **DISPENSATION**

During the course of the year I granted the following dispensations:

1. I granted dispensation for a portion of the Royal Master degree to be presented to Master Masons on Monday at the Grand Lodge Free and Accepted Masons of Alabama in November.
2. I granted dispensation to Birmingham Metro Council # 43 to elect and install a Treasurer out of time due to the resignation of the sitting Treasurer.
3. I granted dispensation to the Gadsden Council #56 to move their meeting date from January 2<sup>nd</sup>, 2020 to January 9<sup>th</sup>, 2020 due to several officers out of town for the Holiday.

### **Review of Books**

I authorized our Illustrious Grand Recorder, Hiram Williams to turn over the books and financial records to the Audit Committee Chairman, Companion Brian Smith for Review by his committee.

### VISITATIONS

During the past year I have represented the Grand Council of Alabama at Annual Assemblies of the Grand Council of North Carolina, Mississippi, Tennessee, Georgia and Arkansas. There as an additional visit to the South Eastern Conference in Melbourne, Florida.

In State visitations to various Masonic bodies and events included several Councils, but it is my regrets that I have not been able to visit all of them. I visited Brundidge #69 of Anniston; Eureka Council #5 of Huntsville twice; Vulcan Council #22 Knight Masons in Birmingham; Alabama Priory #31 Knight Cross of Honour in Birmingham; Phenix City Council #82 Phenix City, AL; Decatur Council #81; Red Cross of Constantine (St. Dunstan Conclave) in Birmingham; Emrys John #179 York Rite College in Birmingham; Cyrene Commandery #10 Christmas Observance in Birmingham; I attended Birmingham Metro York Rite one day festival sponsored by several councils. I was honored to install officers in Gadsden Council #56 in Gadsden, AL and Birmingham Metro Council #43 in Birmingham; I visited Birmingham Scottish Rite. I also attended the Grand Lodge of Alabama; SORG; Alabama DeMolay Conclave; the Grand Chapter Order of the Eastern Star in Mobile.

### Recommendations

1. Continue supporting CMMRF. Its research is aimed at medical procedures such as stem cell replacement and juvenile diabetes.
2. I recommend participation in your local community events.

### CONCLUSION

I am grateful to have served the Grand Council Royal and Select Masters of Alabama as Most Illustrious Grand Master for 2019-2020. I made lifetime Companions and friends from my travels in and out of the state.

I thank the Grand Officers, both elected and appointed for a job well done. I thank the Companions of my own Council, Birmingham Metro Council #43 for their support and encouragement as I progressed through this line.

To our Illustrious Grand Recorder, Hiram Williams and his wife Cindy. I am grateful to you both for taking care of our daily business. Thank you for all that you do. To our Illustrious Grand Treasurer, Edward L. Mason, thank you.

Finally, and most important, I want to thank Elaine, my wife for the love and support she has given me during my Masonic career. She is the love of my life as well as my best friend. I want to thank all the wives for supporting us in our endeavors.

I pledge my support to the incoming Illustrious Grand Master and his Grand Council. May God bless us, the Grand Council and the United States of America.

Respectfully submitted,

**Grand Council Royal and Select Masters of Alabama****Report of the Audit Committee**

Honorable, B. Wayne Sparks  
Most Illustrious Grand Master  
Grand Council Royal and Select Masters of Alabama

We, your audit committee, have reviewed the books and records, of the Grand Council Royal and Select Masters of Alabama, for the period January 1, 2019 to December 31, 2019. The records were neat and easy to follow. We did not find any instance of missing or misspend monies. All money disbursements were made with the approval of the Finance Committee. In the records reviewed, we found no discrepancies that would lead us to believe any modification to the financial statements would be warranted.

**GRAND COUNCIL ROYAL AND SELECT MASTERS  
RITUAL COMMITTEE REPORT*****To the Most Illustrious Grand Master and Companions:***

During the past year, several questions were submitted regarding the General Grand Council of Cryptic Masons International publication of the updated ritual. It was noted that several changes, including some misprints occurred, in the publication of the General Grand Council ritual book. The committee submits that the Grand Council of Alabama has the original submission and there will be consideration to use the Grand Council of Alabama updates.

The committee would encourage all Councils to use the ritual book as a “guide” and to confer with Grand Council Ritual Committee regarding any particular uncertainty about the ritual. This process reminds us that, as with previous publications of the ritual and even with publications of the ritual and even with publications of the Monitor of printed ritual of the Grand Lodge of Alabama, books are not absolute authorities of information and that the ritual is the collective knowledge of ritualists transmitted from generation to generation by thought, word and action.

The committee would also like to congratulate Eureka Council #5 on the conferral of the Super Excellent Masters degree and congratulate those Individuals who took on new roles. While there is not time to recognize every individual, the committee would like to recognize Companion Johnny Strickland who performed the part of Jeremiah from memory while filling in for Companion Smokey Ferguson who has performed this part from memory for years.

The committee would encourage the Grand Council to use the newly released ritual book to promote the membership to work towards achieving the General Grand Council’s Ronald L. Thomas Ritual Award.

## **Addendum to Ritual Committee Report**

During the Meeting of The Grand Council of Royal and Select Masters of Alabama on Saturday 29<sup>th</sup> February 2020, A motion was made by James C. McGee and Seconded by Ronald Andress, that we adopt the current Ritual as our Ritual and not the new rewritten Ritual by the General Grand Council of Cryptic Masons International. This motion carried and the Grand Council Royal and Select Masters of Alabama now is bound by the vote to use our Ritual.

## **Membership Committee Report**

### ***To the Most Illustrious Grand Master and Companions of the Grand Council of Royal and Select Masters of Alabama.***

It is the responsibility of this committee to report the status of the subordinate councils. We continue to lose members but at a much lower rate than past years.

This past year we saw significant progress in our membership rolls. All totaled we lost 19 Council members within Alabama. This is much better than the losses of previous years.

We added more members than we lost to Suspensions or Demits. This is a good thing and we need to continue our efforts in this area.

We had 35 members lay down their working tools is past year. We feel each loss deeply. These are men we have sat in Lodge with and enjoyed Masonic fellowship with. They will be missed.

5 of our Councils showed positive gains and 1 Council stayed at the same level.

There are factors over which we have little or no control that effect our membership. The main factor is death. Death is a constant and will always be with us. Declining membership in the Blue Lodge is another factor that affects us. Suspensions continue to be the one area that require our attention.

We are doing a good job of obtaining new members. Continuing to market the York Rites in our Blue Lodges and the general public will go far to increase our membership. But although we are doing a good job in attracting new members, we need to work equally hard to retain the ones we already have. These men have lost interest for some reason. We need to make the effort to find out why and how they lost the desire to Council Masons. We need to reenergize the members who are not active members in our local Councils. Perhaps a refresher session concerning the Council degrees for those who might have forgotten some of the important lessons of the Council of Royal and Select Masters. Having a short education topic presented is another idea to attract members and make them want to come to our meetings.

**Grand Council Necrology, February 2020**

*The Rev. Richard R. Losch, Grand Chaplain*

“I am the resurrection, and the life,” sayeth the Lord; “He that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die” (John 11:25-26).

It is with a heavy heart and yet with joy that I report that during the past year 35 of our companion Royal and Select Masters have been called from their earthly life to a fuller life above. Our hearts are heavy because we miss our brothers with whom we have shared good times and hard. And yet we are joyful not only for the blessing of having known them and having been able to share in their lives, but also because we know that in the sure and certain hope of the Resurrection to everlasting life we shall be together again. Jesus promised us that whosoever lives and believes in Him shall never die. Our departed brothers are not dead, they are simply departed—departed from this phase of their lives to a fuller and greater life with God. It is with this faith that through our tears we see the Light of God, and through our mourning we hear psalms of joy.

Almighty God, we thank you for the lives of our departed brothers. We pray that they may go from strength to strength in the life of perfect service in your heavenly kingdom, and that you will give comfort to those who love them and now are separated from them. This we pray in the Name of Him who is the Resurrection and Life, Jesus Christ our Savior. Amen.

**YOUTH COMMITTEE REPORT**

*To the Most Illustrious Grand Master, Officers and Companions of the Grnad Council Royal and Select Masters of Alabama:*

The Youth Committee wishes to thank the Illustrious Grand Master for allowing us to serve on this committee and for the continued support of the Grand Council. I know you have heard the phrase that our youth organizations are the future of our fraternity. While this is true, we need to stop and recognize that the youth of today is not only the future of our fraternity but the future of our society. This current generation of teenagers need the principles Masonry teaches more than any other generation. We have witnessed the downfall of society at the hands of the liberal media agenda. With the ever-increasing percentages of single parent families, the teenagers of today are not being raised with the same homegrown principles of Love of God, Love of Country and Love of family that even the teenagers of 20 years ago were raised to respect. This makes our continued support of DeMolay and Rainbow even more important so those everlasting Masonic Principles will continue to be taught to future generations during those formative years.

The Committee wishes to thank the Illustrious Grand Master for his presence at the Alabama Grand Assembly of the Order of the Rainbow for Girls and the Alabama DeMolay State Conclave.

Sir Knights

Attached you will find 3 reports 2018, 2019 and the National report I receive each year. I wish for you to look read and ask why ? Why we Alabama cannot support something so precious as helping our kids, elderly, family and each other . We collectively regressed went down in our efforts at doing more . We I think I know can do better . While we regressed CMMRF Progressed adding to their accomplishments now as we sit here it is being said that by 2025 it will be possible to save a severed leg , of course there are some caveats to that but very few. Type 1 (juvenile ) diabetes CMMRF is close to being able to use stems cells from the person's own body and vastly improve it , meaning we / they are so much closer to eliminating it . Last year I asked if you could maybe add 25 cents per person to your donation that had no effect . SK's quite a few of you know me you know I love to laugh and joke with all of you but what you do not know is my oldest grandson at 14 months was diagnosed with type 1 juvenile so yes I do understand better than some , you baby sit your grandson you wake up in the middle of night to find after sticking his small finger that his blood sugar is 50 , you force him to wake up and force orange juice or a pill down his throat hoping he will response, and etc. He is now 20 years old in his third year of college studying criminal justice. I say that to say this to paraphrase a rather important person in each of our lives " What you do for poorest you do for me" . With that being said are we reaching our potential with CMMRF ? I mean no disrespect or wish to insult or angry anyone . . But again I ask are we doing enough , have we reached the end of our cable tow .Thank you and have a Blessed day.
